

Los Angeles Asperger Syndrome Parent Support Group Online Meeting

With things out of the ordinary right now (to say the least) , we can't have our usual in-person meeting. But we also know that when things are out of the ordinary, we have a higher need for support, so our April meeting will be online via Zoom)

**Meeting:
April 8, 2020
7:30 – 8: 10 PM
Location: online**

If you've not used Zoom before, it is easy to use and if your computer has a camera you can even be seen. If you don't have a microphone or access to a computer, you can call in by phone.

**For questions or to request log-in
information**
