This group will informally address the questions and concerns that families have about their child’s Special Education services and support.

* We will share information and provide specific strategies so that parents can become confident and collaborative IEP team members!

* Come and learn the tools and techniques necessary to ensure an appropriate and meaningful education for all of our children.

You must register in advance to access this virtual meeting: https://zoom.us/meeting/register/tJUsc--gqD0rGd3U-zvQ9nndqocNwICOuMB2

Facilitated by: Barbara Marbach
