The Board shall specify the term commencement date and end date at the time of the Director's election to the Board, which commencement date may not be retroactive. A Director whose term of office has expired may nevertheless continue in office until a successor has been duly elected and qualified if a majority of the Board votes for the continuation, unless that Director has already served on the Board seven (7) out of the previous eight (8) years, in which case, the Director shall no longer serve as a Board Director.
- 3) The term of a Director elected to fill a vacancy on the Board caused by the expiration of a prior term of a Director shall commence immediately upon the expiration of said prior term.
- 4) The term of a Director elected to fill a vacancy on the Board caused by death, resignation, or removal shall commence immediately upon such new Director's election and shall terminate when the term of the deceased, resigned or removed Director would have ended, unless that would require the succeeding Director to serve more than seven (7) years in any eight (8) year period prior to the expiration of that term.

Section 4.05. Election

- 1) Except for the directorship provided for in Section 8.07, subparagraph 5), Directors may be elected at any meeting of the Board. Nominations shall be received for each seat on the Board of Directors for which a Director is to be elected either in accordance with the provisions of Section 8.07, subparagraph 4), hereof, or through nomination by a Director from the floor at a meeting at which a Director is elected. Except as otherwise stated herein, a candidate must receive a majority of votes cast by the Directors eligible to vote at the Meeting to be elected as a Director. In the event that the number of Candidates nominated exceeds the number of Directors to be elected, the Candidates receiving the highest number of votes shall be elected as Directors. In the event that a seat or seats remain vacant due to a tie vote among Candidates, a run-off vote shall be conducted, and the Candidate or Candidates receiving the highest number of votes shall be elected to fill the vacant position or positions.
- 3) The Board shall vote for the election of Directors by voice vote, unless the number of Candidates for Directorship exceeds the number of Directors to be elected, in which event balloting shall be by secret ballot.
- 4) If a Director resigns their seat on the Board of Directors, that Director's term shall terminate immediately. - 6) As a part of the annual report referred to in Section 4.07, subparagraph 5), above, the Corporation shall annually furnish to each Director a statement briefly describing any indemnification or advances aggregating more than ten thousand dollars (\$10,000), paid during the fiscal year to any Officer or Director of the Corporation as authorized by Section 11.01 - 11.03 of these Bylaws.
- 7) The Directors shall annually review the performance of the Executive Director of the Corporation.
- 8) The Directors shall annually review the performance of the Corporation in providing services that are linguistically and culturally appropriate and may provide recommendations to the Executive Director of the Corporation based on the results of that review.
- 9) The Directors shall exercise sound business practices, prudent fiduciary decision-making and attention to proper legal requirements in performing their duties as Directors of the Corporation.
- 10) In accordance with WRC's Contract Policy, the Board of Directors shall review and approve any contract of the Corporation of two hundred and fifty thousand dollars (\$250,000), or more, before the Corporation enters into such a contract. No contract exceeding two hundred and fifty thousand dollars (\$250,000) is valid unless first approved by the Board of Directors. In the event that a contract exceeding two hundred and fifty thousand dollars (\$250,000), requires immediate review and approval prior to the next regularly scheduled Board meeting, the contract will be valid if the Executive

Committee votes to approve the contract and the Executive Committee's approval is expressly ratified by resolution by the Board of Directors. For purposes of this section, contracts do not include (1) vendor approval letters issued by regional centers pursuant to Section 54322 of Title 17 of the California Code of Regulations, and (2) Purchase of Service authorizations for individuals served by the Corporation.

Section 4.09. Compensation

The President, the Vice President, the Secretary, the Treasurer, and all of the Directors of the Corporation shall serve without compensation for any services rendered by them to the Corporation as such Officer or Director. However, this shall not operate to preclude any corporate Officer or Director from receiving reimbursement from the Corporation for reasonable expenses incurred by such Officer or Director in their capacity as such Officer or Director. There shall be no reimbursement for non-business-related travel companions. Neither shall there be loans to Directors or Officers, except as might be permitted for matters relating to indemnity under Article 11 of these Bylaws.

Section 4.10. Removals and Resignations of Directors

- 1) Removals - Except as otherwise stated in these Bylaws, any Director may be removed as a Director with or without cause at any time by resolution duly adopted by the Board, provided that:
 - a. Notice of intention to offer a resolution for such removal is given to each Director, by personal service or by certified or registered mail, return receipt requested, not less than fifteen (15) days prior to the date on which a vote will be taken on whether or not the resolution should be adopted; and
 - b. Removals for cause shall be by a vote of a majority of the Directors who are present and voting at a Board Meeting at which a quorum is present. A Director may be removed for cause if they have been declared of unsound mind by a final order of court, or convicted of a felony, or found by a final order or judgment of any court to have breached any duty under Article 3 (commencing with Section 5230 of the Corporations Code;

- c. Removals for any reason other than those described in subparagraph 1)b shall be considered removals “without cause” and, except as otherwise stated in these Bylaws, shall require a vote of at least two-thirds of the full number of persons who at the time are Directors of the Corporation.
- 2) Disqualification - In the event that the President has cause to believe, or if any Director alleges to the President in writing, that another Director is no longer qualified under Section 4.03 of these Bylaws, the President shall schedule a hearing on the matter on the agenda of the next regular Board meeting. The Secretary shall mail, or hand deliver specific written notice of this hearing to the Director in question at least seven (7) calendar days in advance of the hearing. The Board shall consider the matter at this hearing, which may be continued to the next consecutive regular meeting, but shall not be continued thereafter. Once the President closes the hearing, the Board of Directors, excluding the Director whose qualifications are the subject of the hearing, shall immediately vote on a finding as to the Director's continuing qualification pursuant to Section 4.03. If a majority present and voting finds that the Director is no longer qualified, that Director shall be automatically removed for cause, effective upon the Board's findings.
- 3) Written Notice of Removal - Whenever a Director is removed from the Board, the Secretary shall give written notice of such removal to such Director. In the event that the removed Director is also a member of a Committee, he or she shall also be automatically removed from that Committee, unless the Board, for good cause, adopts a resolution providing otherwise.
- 4) Resignations - Directors are expected to attend all regular meetings of the Board, including the regular meeting designated as the Annual Meeting and Board trainings, and are expected to attend all Special Meetings of the Board, as described in Section 7.01, subparagraph 3). Directors are also expected to attend Committee Meetings of those Committees that are described in Sections 8.07, 8.08, and 8.09, respectively, to which they are assigned. The Director who is a member of the Service Provider Advisory Committee, as that Committee is described in Section 8.07, subparagraph 4), is expected to attend all meetings of the Service Provider Advisory Committee.
 - a. Board and Committee Meetings - For Directors who are elected or designated following the adoption of this Sixth Restatement of Bylaws, the following circumstances constitute the tendering of a Director's resignation from the Board and all Committees:
 - i. The absence of any Director, including the Director appointed by the Service Provider Advisory Committee, from three (3) regular meetings of the Board in a fiscal year shall constitute their resignation from the Board and any Standing or Special Committee of which the Director is a member;

- ii. For purposes of subparagraph 4)a.i, “regular meetings of the Board” include the regularly scheduled meetings of the Board, Annual Meetings and trainings.
 - iii. For purposes of subparagraph 4)a.i, “absence” means that a Director has not arrived within at least thirty (30) minutes after the designated start time, or actual start time, of the meeting, whichever is later. The Chairperson of said meeting shall request that the time of a member’s late arrival be noted in the meeting’s minutes.
 - iv. In the event that a Director is unable to attend a training as scheduled, the Director is required to make up that training at another designated time within the fiscal year. Attendance at a make-up training shall be considered an “absence” for purposes of the “three (3) absence rule” set forth in subparagraph 4)a.i.
- b. Notice offending Resignations - Notice to the Board of pending resignations pursuant to subparagraph 4)a shall be included by the Board Secretary in the agenda for the regular meeting of the Board which next succeeds such absences. The resignation will automatically be deemed accepted by the Board at that meeting unless the Board, for good cause, then adopts a resolution to retain the Director.
- 5) Resignations by Directors Who Were Elected or Designated Prior to the Adoption of this Sixth Restatement of Bylaws. For Directors who were elected to the Board or designated as a Board member prior to the adoption of this Sixth Restatement of Bylaws, the following provision contained in the Third Restatement of Bylaws, which was in effect when you were elected or designated, shall apply: “ If any Director of the corporation be absent for three (3) consecutive regular meetings of the Board of Directors or three (3) consecutive meetings of any Standing Committee of the corporation of which such Director is a member, such Director may, by vote of a majority of the full number of persons who at the time are members of the corporation, be removed from office as a Director at the conclusion of the meeting of the members of the corporation next succeeding such three (3) consecutive absences. Notice of such three (3) consecutive absences and of the immediately preceding sentence of these Bylaws shall be included by the Secretary in the notice of the meeting of the members of the corporation next succeeding such three (3) consecutive absences.” Pursuant to Welfare and Institutions Code section 4669, a proposed resolution to remove a Director from the Board may be considered and voted on in a closed session of the Board.

Section 4.11. Vacancies

- 1) **Occurrence** - Vacancies on the Board of Directors shall exist (1) on the death, resignation, or removal of any Director; (2) whenever the size of the Board of Directors is increased; (3) upon failure of the members to elect the full number of Directors authorized; and (4) upon the declaration by resolution of the Board of Directors of a vacancy due to a Director being declared of unsound mind by a final order of any court, convicted of a

felony, or found by final order of any court to have breached a duty under Article 3, Chapter 7, Part 2 of Division 2 of the California Corporations Code (Sections 5230 through 5239). For purposes of this subparagraph, if a Director has been declared of unsound mind by a final order of any court, convicted of a felony or been found by final order of any court to have breached a duty under said Article 3 of the California Corporations Code, and the Board of Directors does not declare a vacancy in the office of a Director within thirty (30) days after such order of court becomes final, then any Director may file a complaint with the Superior Court of the proper county to remove such Director from office.

- 2) **Filling Vacancies** - Vacancies caused by the death or resignation of a Director, or by removal as provided in these Bylaws, or by an amendment increasing the size of the Board of Directors authorized, shall be filled by vote of a majority of the Directors present and voting at a regular, Annual or Special Board meeting at which a quorum is present, except that a vacancy in the Directorship held by the member of the Service Provider Advisory Committee pursuant to Section 8.07, subparagraph 5), shall be filled by a new member designated by said Committee. The person filling such a vacancy shall hold office as a Director until the expiration of the term of the Director whose vacancy they are selected to fill, unless completion of such term would cause the succeeding Director to be on the Board more than seven (7) of the preceding eight (8) years. If the vacancy is created by amendment increasing the size of the Board, the term of the person filling such a vacancy shall continue until the expiration of the term designated for such seat, unless completion of such term would cause the Director to be on the Board more than seven (7) of the preceding eight (8) years.
- 3) **Reduction of Number** - A reduction in the size of the Board of Directors shall not remove any Director prior to the expiration of their term.
- 4) **Leave of Absence** - In the event that a Director is unable or ineligible to continue service because of temporary circumstances, the Director may request, and the Board may by resolution grant, a leave of absence of up to three (3) months, but not to extend beyond the end of the Director's term. The resolution must specify the dates on which the leave begins and ends. The Director's legal standing with respect to the Board during the leave of absence shall be the same as if he or she had resigned, to be reappointed to the same position upon expiration of the leave. However, a leave of absence shall not be considered a break in service for purposes of determining the Director's eligibility for reappointment. Only one (1) leave of absence may be granted per term.
- 5) **Choice to Leave Seat Vacant** - The Board may choose to leave one or more vacant seats temporarily unfilled if it is unable to find or to elect a qualified candidate, or in order to search for a candidate with specific qualifications to balance representation on the Board, or to provide expertise needed on the Board.

Section 4.12. Good Faith, Justified Reliance on Others; Freedom from Liability

- 1) Good faith Requirement - A Director shall perform the duties of a Director, including duties as a member of any Committee of the Board upon which the Director may serve, in good faith, in a manner that the Director believes to be in the best interest of the Corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.
- 2) Justified Reliance on Others - In performing the duties of a Director, a Director shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by:
 - a. One or more Officers or employees of the Corporation whom the Director reasonably believes to be reliable and competent in the matters presented;
 - b. Counsel, independent accountants or other persons as to matters which the Director believes to be within that person's professional or expert competence; or
 - c. A Committee upon which the Director does not serve that is composed exclusively of Directors or any combination of Directors and persons described in subparagraph a above, or persons described in subparagraph b above, as to matters within the Committee's designated authority, which Committee the Director believes to merit confidence, so long as, in any case, the Director acts in good faith, after reasonable inquiry when the need therefore is indicated by the circumstances and without knowledge that would cause that reliance to be unwarranted.
- 3) Freedom From Liability - Except as provided in Corporations Code section 5233, relating to self-dealing transactions, a person who performs the duties of Director in accordance with Section 4.12, subparagraphs 1) and 2), above, should not be held personally liable for the debts, liabilities, or obligations of the Corporation, nor shall they have any liability based upon any alleged failure to discharge their obligations as a Director.
