SERVICES & SUPPORTS

AGES 3 TO 10

**Your child may have recently entered the school system.
You may have questions about the supports available through WRC.**

The following are services and supports provided by Westside Regional Center (WRC). Individuals may be eligible for services based upon need related to the nature of the qualifying developmental disability as identified and agreed to by the interdisciplinary planning team. This is not a complete listing.

Other needs identified by assessment may identify other services.

Case Management

A service coordinator (SC) will be assigned to develop an Individual Program Plan (IPP) and assist with arranging appropriate services.

Generic Resources, Private Resources, and/or Natural Supports must be explored prior to WRC funding. Examples include health insurance and other state/county services.

Services are based on need and must be requested through the Individual Program Plan (IPP) process. Please contact your service coordinator to discuss access to services.

Respite Services

Parents and caregivers can receive intermittent or regularly scheduled non-medical care and supervision to provide relief to family members.

Day Care Supports (Specialized Supervision)

Parents who are working or in school may be eligible for assistance to provide supervision primarily during after-school hours and/or during school breaks.

Social Recreation Services

WRC offers social recreation services to assist individuals with social interactions and peer relations in a community setting.

Community Navigators

Available to assist families in ensuring that each individual has access to all generic services available to them in California.

Behavior Intervention Services

Services are provided by specialists who offer training and instruction to assist families, individuals, and caregivers in developing positive strategies and techniques to manage behaviors. For those families with private insurance and Medi-Cal Managed Care, funding of behavior services will be based on current state/federal laws and regulations. See your service coordinator for further funding details.

Behavior Intervention Co-Pay Assistance

WRC may be able to assist with behavior intervention insurance co-payments, co-insurance, and deductibles (Welfare & Institutions Code 4659.1).

Social Skills

These time-limited classes help to improve interpersonal skills, social interactions, and communication. Parent/caregiver participation is required.

Westside Family Resource and Empowerment Center (WFREC)

Our parent-run center offers support groups, trainings, community resources, and referrals to generic resources. Call 310-258-4063 or visit www.wfrec.org.

Crisis Prevention and Support

WRC has a crisis response team to support individuals who are experiencing serious emotional or behavioral concerns.

Conferences

WRC may be able to provide funding for conference registration fees. Ask your Service Coordinator for more information.

Education Support Services (ESS)

A referral to an education advocacy vendor can be made for families who need assistance with the Individualized Education Program (IEP) and/or accessing appropriate services through the school districts.

Incontinence Supplies*

Referrals can be made to assist individuals with securing supplies available through Medi-Cal, private insurance, or through WRC's vendored providers when no other generic source is available.

Medical Equipment*

Families can access medically necessary equipment through referrals to Medi-Cal, private insurance, or other generic sources such as California Children Services (CCS).

Written Translations and Interpretation

WRC offers written translation services for all documents when the family's preferred language is not English. Interpretation services for IPP or service planning/review meetings are also available.

It is WRC's mission to support people with developmental disabilities, their families, and communities of choice by facilitating access to person-centered, culturally responsive services and resources.

UPDATES TO THESE FLYERS PAID FOR BY LANGUAGE ACCESS AND CULTURAL COMPETENCY FUNDING.

*Please note that current legislation and regulation may require families to access their private insurance or managed care plan within Medi-Cal to obtain funding for these services. Your service coordinator will inform you about this process and will provide support as needed to obtain these insurance/managed care benefits. *Interested in more flexibility in services? Ask your Service Coordinator about the Self-Determination Program.*
