

NOTIFICATION OF CONFLICT OF INTEREST AND CONFLICT RESOLUTION PLAN

WESTSIDE REGIONAL CENTER BOARD MEMBER
TERRY MAGADY

I. Law Governing Conflicts of Interest

The prohibition against regional center governing board member conflicts of interest has its origin in section 4626 of the Welfare & Institutions Code, subsection (d), which provides: “The department shall ensure that no regional center employee or board member has a conflict of interest with an entity that receives regional center funding. . . .”

That general prohibition is explained in more detail in Title 17, section 54520, of the California Code of Regulations, entitled “Positions Creating Conflicts of Interests for Regional Center Governing Board Members and Executive Directors,” which provides, in pertinent part, as follows:

(a) A conflict of interest exists when a regional center governing board member, executive director, or a **family member of such person** is any of the following for a business entity, entity, or provider as defined in section 54505 of these regulations...:

- (1) a governing board member;
- (2) a board committee member;
- (3) a director;
- (4) an officer;
- (5) an owner;
- (6) a partner;
- (7) a shareholder;
- (8) a trustee;
- (9) an agent;
- (10) **an employee;**
- (11) a contractor;
- (12) a consultant;
- (13) a person who holds any position of management; or
- (14) a person who has decision or policymaking authority.

(Emphasis added.)

Title 17, section 54505, of the California Code of Regulations defines “Business Entity, Entity or Provider” to mean “any individual, business venture, or state or local government entity from whom or from which the regional center purchases, obtains or secures goods or services to conduct its operations. . . .”

Furthermore, Title 17, section 54533, subdivision (a) of the California Code of Regulations states:

(a) When a present or potential conflict of interest is identified for a regional center board member, executive director, employee, contractor, agent, or consultant, the present or potential conflict shall be either eliminated or mitigated and managed through a Conflict Resolution Plan, or the individual shall resign his or her position with the regional center or regional center governing board.

II. Conflict of Terry Magady

Terry Magady is a Board Member at Westside Regional Center (hereinafter “WRC” or “the Regional Center”). As a returning Board Member, WRC Executive Director, Jane Borochoff, confirms

that Mr. Magady is a productive and valued member of the Board of Directors. Attached as Exhibit A is Mr. Magady's completed Conflict of Interest Reporting Statement.

Mr. Magady acts as a volunteer consultant for Etta, a WRC vendor providing Supported Living Services ("SLS"), Individual/Family Training, day program, and camping services to WRC clients and their families. Mr. Magady consults with Etta regarding his ideas for projects which would help individuals with developmental disabilities to become more involved in the community. Mr. Magady, however, is never compensated, and does not expect to be compensated, by Etta for his ideas, holds no Board position or position of management at Etta, and has no decision or policy making authority at Etta. While Mr. Magady volunteers his ideas to Etta, Etta is free to reject them. At one time, approximately 1993, Mr. Magady was on the Board of Directors for Etta, but he has not been a Board member for many years. In addition, Mr. Magady and his wife donate money to Etta; however, they have no financial interest (i.e., no current or contingent ownership, equity, or security interest) in Etta, or financial interest (i.e., no direct or indirect, contingent or expected financial interest) in any contract WRC has with Etta. Mr. Magady's daughter, Danielle, who is a WRC client, volunteers at Etta approximately once per month for two hours and for several full days over the summer; however, she is never paid by Etta for her volunteer work.

It is unclear from the language of Title 17, section 54520, of the California Code of Regulations, what the term "consultant" means for purposes of the conflict of interest regulations. In that Mr. Magady volunteers his ideas to Etta, a WRC vendor, as an unpaid consultant, Mr. Magady and WRC believed that, out of an abundance of caution, this fact should be disclosed in the event that it is viewed as a conflict of interest under Title 17, section 54520. As noted above, however, neither Mr. Magady, nor his family members, have any financial interest in Etta or a financial interest in any contract WRC has with Etta. This document constitutes a disclosure of this possible conflict, a Conflict Resolution Plan to eliminate any adverse consequences from this relationship, and a request for approval of the Conflict Resolution Plan by the State Council on Developmental Disabilities ("SCDD") and the Department of Developmental Services ("DDS.")

III. Facts

The plan of action proposed herein is designed to eliminate any adverse consequences from the conflict. To better understand how the plan will eliminate any adverse consequences, this plan will first provide the facts regarding Mr. Magady's duties and responsibilities as a Board member and Mr. Choudhry's work with Etta.

A. Mr. Magady's Duties as Board Member

As a Board Member, Mr. Magady regularly meets with other WRC Board members to create policy for the operation of the regional center. Policy is developed through recommendations from Board committees and the Executive Director. Direct operation of WRC is delegated to the Executive Director who is hired by the Board. WRC staff recommendations for policy initiation or modification either go to the Executive Director, who, in turn, refers them to the Board and/or an appropriate Board committee, as necessary, or go directly to the Board and/or appropriate Board committee, as necessary.

Mr. Magady's primary duties are as follows:

1. Attendance at monthly Board of Directors and Committee meetings, typically held on the second Wednesday of each month, remotely via Zoom. Board and Committee meetings are held both in person and virtually.

2. Because regional center operations are funded by DDS, pursuant to WRC's contract with DDS, each member of the Board of Directors is required to identify any potential conflict of

interest as set forth in Welfare and Institutions Code sections 4626 and 4627 and their implementing regulations.

3. A part of a Board member's responsibility requires him or her to be an informed and active participant on the Board, voting on issues and approving regional center contracts of over \$250,000. WRC does not have a direct contract with Etta for Personal Assistance or Respite services; rather services are purchased by way of individual Purchase of Service authorizations.

Under the suggested Plan of Action, Mr. Magady will remain in his Board position, but will be regulated so that he has no role or involvement with any matter that would impact Etta or any service provider which provides the same services as Etta.

1. Terry Magady's Duties at Etta

Terry Magady has no official duties at Etta and no ownership or financial interest in Etta. Rather, as described above, Mr. Magady is a volunteer consultant to Etta and offers his ideas to Etta for integrating individuals with developmental disabilities into the community. Etta is free to dismiss Mr. Magady's ideas. Mr. Magady is not paid by Etta, is not employed by Etta, is not on the Board of Etta, holds no position of management at Etta, has no decision or policymaking authority at Etta, and has no financial interest in Etta or any WRC contract with Etta.

IV. Conflict Resolution Plan

WRC and its Executive Director, Jane Borochoff, have concluded that Mr. Magady provides substantial value to the Board of WRC. After consideration of the totality of the circumstances and a careful review of the facts, the Executive Director believes it is in the best interests of WRC to create and implement a Conflict Resolution Plan to eliminate any adverse consequences from this relationship and seek approval of this plan by SCDD and DDS.

The first step in the Conflict Resolution Plan is to allow Mr. Magady to remain in his position on the Board of Directors, but to prohibit him from taking action that might impact Etta or other service providers offering the same services as Etta, which services include, but are not limited to, Personal Assistance, Respite, Day Care, and Nursing services. This will eliminate any instance in which Mr. Magady would have to vote, or take action for or against Etta, and would eliminate any possible action by Mr. Magady to make recommendations concerning Etta or to affect any of its competitors.

The second part of the Plan is to insulate Mr. Magady from any action regarding Etta or any of its competitors. He would recuse himself from participation in any decision or vote regarding the drafting, planning, or discussion of rules, policies, or restrictions that would impact Etta or its competitors. Any duties that potentially relate to Etta or its competitors, or generic policies applicable to such vendor/s, represent a small portion of the valuable duties Mr. Magady performs on behalf of WRC, and these duties can be easily delegated to other WRC Board members.

WRC and Terry Magady's suggested Conflict Resolution Plan for this conflict of interest is as follows:

1. Mr. Magady will not participate in any vote or decision on any matter regarding Etta.
2. Mr. Magady will not participate in the vote to approve any report, plan, opinion, recommendation or action regarding Etta.
3. For any client served by Etta, Mr. Magady will not participate in any review or discussion of any client's service issues brought to the attention of the

Board; rather, such tasks will be addressed by other Board members or WRC employees.

4. Mr. Magady will not participate in any decisions about Purchase of Service authorizations for Etta.

5. Mr. Magady will not participate in the preparation, consideration, or any follow-up related to complaints or Special Incident Reports from or about Etta.

6. Mr. Magady will not create or review any corrective action plans for Etta.

7. Mr. Magady will not participate in any action or resolution of any complaints pertaining to Etta.

8. Mr. Magady will take no part in decisions regarding vendor appeals, or fair hearings involving Etta.

9. Mr. Magady will not access vendor files, either in electronic or hard copy form, which WRC maintains about Etta.

10. Mr. Magady shall not participate in voting on any policies that will directly apply to Etta. Instead, these tasks will be the responsibility of the other Board members.

11. The WRC Board of Directors has been informed about this plan of action, and has been informed of the need to ensure that Mr. Magady has no involvement in any vote regarding Etta.

12. WRC has received approval from its Board of Directors regarding this plan of action.

13. Finally, WRC will also ensure that Etta is informed of this plan to ensure that there is no expectation that Mr. Magady, in his role as a WRC Board member, can vote on any actions regarding Etta.

V. Request Approval of Conflict Resolution Plan

For the reasons provided above, and in accordance with the Conflict Resolution Plan set forth above, WRC hereby requests that SCDD and DDS approve the Conflict Resolution Plan in this matter.

[Reset Form](#)**CONFLICT OF INTEREST REPORTING STATEMENT**
DS 6016 (Rev. 08/2013)

The duties and responsibilities of your position with the regional center require you to file this Conflict of Interest Reporting Statement. The purpose of this statement is to assist you, the regional center and the Department of Developmental Services (DDS) to identify any relationships, positions or circumstances involving you which may create a conflict of interest between your regional center duties and obligations, and any other financial interests and/or relationships that you may have. In order to be comprehensive, this reporting statement requires you to provide information with respect to your financial interests.

A “conflict of interest” generally exists if you have one or more personal, business, or financial interests, or relationships that would cause a reasonable person with knowledge of the relevant facts to question your impartiality with respect to your regional center duties. The specific circumstances and relationships which create a conflict of interest are set forth in the California Code of Regulations, title 17, sections 54500 through 54530. You should review these provisions to understand the specific financial interests and relationships that can create a conflict of interest.

Please answer the following questions to the best of your knowledge. If you find a question requires further explanation and/or there is not enough space to thoroughly answer the question, please attach as many additional sheets as necessary, and refer to the question number next to your answer. If the regional center identifies a conflict involving you, it will be required to prepare a conflict resolution plan. Some relevant definitions have been provided in the footnotes to assist you in responding to this statement.

You are required to file this Reporting Statement within 30 days of beginning your employment with the regional center or from the date that you are appointed to the regional center board or advisory committee board. You are then required to file an annual Reporting Statement by August 1st of every year while you remain employed with the regional center or while you are a member of the regional center board or advisory committee board. You must also file a Reporting Statement within 30 days of any change in your status that could result in a conflict of interest. Circumstances that can constitute a change in your status that can require you to file an updated Reporting Statement are described below in footnote one.
